

XXIV INTERNATIONAL CONGRESS
XXIV МЕЖДУНАРОДНЫЙ КОНГРЕСС

PASSPORT

5-8 JUNE

5-8 ИЮНЯ

CITOGIC'2018 - MINSK

**NEW TECHNOLOGIES OF GAS AND OIL INDUSTRY,
ENERGY AND COMMUNICATIONS**

**НОВЫЕ ТЕХНОЛОГИИ ГАЗОВОЙ И НЕФТЯНОЙ ПРОМЫШЛЕННОСТИ,
ЭНЕРГЕТИКИ И СВЯЗИ**

INTERNATIONAL ACADEMY OF TECHNOLOGICAL SCIENCES
МЕЖДУНАРОДНАЯ АКАДЕМИЯ ТЕХНОЛОГИЧЕСКИХ НАУК

ORGANIZERS

INTERNATIONAL ACADEMY OF TECHNOLOGICAL SCIENCES

PJSC «GAZPROM»

MINSK CITY ADMINISTRATION

OJSC «GAZPROM TRANSGAZ BELARUS»

SUPPORTED BY

GOVERNMENT OF THE RUSSIAN FEDERATION

GOVERNMENT OF THE REPUBLICA OF BELORUS

STATE DUMA OF THE FEDERAL ASSEMBLY OF THE
RUSSIAN FEDECARION

MINISTRY OF ECONOMIC DEVELOPMENT OF THE
RUSSIAN FEDERATION

MINISTRY OF ENERGY OF THE REPUBLIC OF BELARUS

PROGRAM COMMITTEE OF THE CONGRESS

CHAIRMAN OF PROGRAM COMMITTEE:

MARKELOV Vitaly Anatolyevich | Deputy chairman of the board of PJSC «Gazprom»

CO-CHAIRS OF THE PROGRAM COMMITTEE:

REPRESENTATIVE of the Council of Ministers of the Republic of Belarus

NIKITIN Boris Aleksandrovich | President of the International Academy of technological sciences

MEMBERS OF THE PROGRAM COMMITTEE:

AKSYUTIN Oleg Evgenievich | Board member, Head of the Department of PJSC «Gazprom»

ANDREEV Oleg Petrovich | General Director of LLC «Gazprom projecting»

BELYAEVA Valentina Yakovlevna | General Director of OJSC «Welding and installation trust»,
Hero of Socialist Labor

ZAVALNY Pavel Nikolayevich | Chairman of the Energy Committee of the State Duma of the
Federal Assembly of the Russian Federation

KASIAN Elena Borisovna | Head of the Department of PJSC «Gazprom»

KRUGLOV Andrey Vyacheslavovich | Deputy chairman of the board of PJSC «Gazprom»

KRYLOV Pavel Valeryevich | Head of the Department of PJSC «Gazprom»

KUDRYAVTSEV Valery Borisovich | Head of the Department of Mathematical Theory of Intellectual
Systems of Moscow State University M.V. Lomonosov

MIKHALENKO Vyacheslav Alexandrovich | Board member, Head of the Department of PJSC «Gazprom»

MAYOROV Vladimir Vladimirovich | General Director of OJSC «Gazprom transgaz Belarus»

OGANOV Alexander Sergeevich | Professor, Head of the Department "Drilling Oil and Gas Wells"
of the Russian State University of Oil and Gas (NIU) I.M. Gubkin

SELEZNEV Kirill Gennadievich | Head of the Department of PJSC «Gazprom»

SKREPNYUK Andrei Borisovich | Head of the Department of PJSC «Gazprom»

CHEREPANOV Vsevolod Vladimirovich | Board member, Head of the Department of PJSC «Gazprom»

MAIN TOPICS OF THE CONGRESS

BASIC DIRECTIONS OF DEVELOPMENT OF THE FUEL AND ENERGY COMPLEX

- Ensuring environmental safety in the industry;
- Equipment production for the Fuel and Energy Complex, including gas processing, liquefying of natural gas and offshore development;
- Opportunities and prospects for international investment cooperation and interaction in the implementation of investment projects in the Fuel and Energy complex of Russia and the Republic of Belarus;
- Latest information and digital technologies;
- The market of liquefied hydrocarbon gas.

HYDROCARBON PRODUCTION, PROCESSING, TRANSPORTATION AND CONSUMPTION TECHNOLOGIES

- Directions and prospects for the development of hydrocarbon deposits, incl. Eastern Siberia, the Far East and the Arctic;
- New technologies for oil and gas chemistry (cryogenic gas separation to produce helium and valuable components for petrochemistry);
- Resource-saving technologies and equipment for the construction and operation of oil and gas supply systems;
- Methods, equipment and technologies for extraction and transportation of hydrocarbon energy carriers, incl. on the continental shelf;
- Operation, diagnostics and repair of pipeline systems;
- New technologies for development of non-traditional sources of hydrocarbon raw materials (shale gas, gas hydrates, methane of coal seams).

ENERGY TECHNOLOGIES

- Development of domestic nuclear power for the needs of the gas and oil industry;
- Distributed Energy and Renewable Energy Technologies;
- The role of small-scale energy and alternative energy sources in the extraction, processing and transportation of hydrocarbons.

INVESTMENTS ATTRACTION INTO PROJECTS AND PROGRAMS OF THE FUEL AND ENERGY COMPLEX

- Sources of financing of joint investment programs and identification of measures for their provision;
- Conditions for financing long-term major investment projects;
- Financial mechanisms for the development of import substitution of equipment in the Fuel and Energy sector: related loans, leasing, subsidies and other instruments;
- Development and financing of the liquefied natural gas market: increase of the LNG market share and implementation of the planned LNG projects, including low-tonnage production.
- Information support of international cooperation.

DEVELOPMENT OF THE FUEL AND ENERGY COMPLEX OF THE REPUBLIC OF BELARUS

- Investments attraction into projects and programs of the Fuel and Energy Complex of the Republic of Belarus;
- Technological capabilities of the enterprises of the Republic of Belarus to ensure the needs of the Fuel and Energy sector and the implementation of strategic oil and gas projects;
- The Republic of Belarus gasification prospects;
- New construction technologies in resolving the issues of the region.

LONGEVITY AND HEALTH PROTECTION TECHNOLOGIES

- Nanotechnology in the production of drinking water;
- Environmentally friendly technologies for recycling household waste;
- New technologies in food industry and agroindustrial complex.

PROGRAMME OF THE CONGRESS

5 JUNE

1st day

10:00-21:00

Arrival and accommodation of participants

6 JUNE

2^d day

09:00-10:00

Registration of participants

10:00-10:30

Opening of the Congress

10:30-12:30

First plenary meeting

12:30-13:00

Press conference | Coffee-break

13:00-13:45

Discussion hour

14:00-15:30

Lunch

16:00-18:30

Round table «Synergetic technologies and materials»
Round table «New technologies in Agro-industrial complex»

19:30-22:30

Reception in honor of the Congress opening and awarding of new laureates of the International Academy of Technological Sciences Prize

7 JUNE

3rd day

10:00-12:00

Work of scientific and technological sessions on topics:
- New technologies of the Gas industry
- The role of small-scale power engineering and alternative energy sources in the production, processing and transportation of hydrocarbons
- New technologies of oil, oil refining and energy industries
- Development of offshore fields
- Automation, information technology and communication

12:00-12:15

Coffee-break

12:20-13:50

Development of the Fuel and Energy complex of the Republic of Belarus
Investments attraction into projects and programs of the Fuel and Energy Complex

14:00-15:00

Lunch

15:30-17:00

Round table «Problems of diagnostics of technical condition and repair of wells at gas condensate field and underground gas storage»
Round table «Nanotechnology in the production of drinking water»

17:30-18:30

Diner

19:00-21:00

Cultural programme. Minsk city tour

8 JUNE

4th day

10:00-13:30

Visit to the enterprises of Fuel and Energy and Agro-industrial complex of the Republic of Belarus

14:00-15:00

Lunch

15:30-21:00

Short closing plenary meeting

REPORT REQUIREMENTS

Reports should be submitted both in hard copy (up to 10 typewritten pages 12 by one in one interval) or electronically on a CD-R disk in the text editor Word for Windows.

All kinds of images (photos, pictures, diagrams, etc.) are recorded as separate files on a CD-R disc in TIFF (RGB) format at 300 dpi resolution or vector graphics format AI (illustrator), the text must be translated into Curves.

You can send reports by e-mail. Texts are sent in Word format, all embedded in the text of the graphics is sent by separate files of JPEG format with high quality (9-10) and resolution of 200 dpi. The volume of one letter should not exceed 1.5 Mb.

Texts of reports should contain an abstract in Russian and English languages with a maximum of 10 lines each. The title is given in Russian and English. After the title of the report, the surname(s) and initials of the author(s), institution, city, province (republic, state), country are indicated in Russian and English. If the list of authors contains more than one surname, the surname of the speaker is highlighted.

Please do not leave an empty paragraph between paragraphs of the text.

The reports of the reports presented and recommended at the Congress will be published in the proceedings of the Congress "New Technologies". Please attach to the report a colour photograph of the author in the form of a separate photograph (10x15 cm) or as an electronic image in the recommended graphic formats on CD or E- Mail address.

TERMS OF PARTICIPATION

VENUE: RENAISSANCE MINSK HOTEL

The Republic of Belarus, Minsk,
Dzerzhinsky avenue 1E

Documents for participation in the Congress: Application form, text of the report
(with presentation materials),
agreement

Deadline for submission of documents: **TILL 30 APRIL, 2018**

Registration fee: 170 000 rubles

Transfer and accommodation are paid by the participants themselves.

Accommodation price at Renaissance Minsk Hotel (per night)

Standard single bed room: 90 USD

Standard twin bed room: 110 USD

Deluxe: 150 USD

Junior Suite: 180 USD

Corner Suite: 200 USD

CONGRESS ORGANIZING COMMITTEE CONTACTS

Company: Public organisation
«International academy of technological sciences»

Address: 127051, Russia, Moscow, Bolshoy Karetny lane, 22/3
